What is the Global UGRAD program?

The Global UGRAD Program is a U.S. Department of State sponsored initiative that grants scholarships to undergraduate level students from over 55 countries. Students are placed at colleges and universities across the United States where they participate in one semester of undergraduate, non-degree study. Global UGRAD is administered by World Learning.

Since 2008, World Learning has facilitated the placement of almost 1,800 Global UGRAD students. Students leave the U.S. with the tools to become leaders in their professions and home communities.
