

**Solicitation 19H08020Q0032 – Refrigeration Equipment for the Molecular
Biology Laboratory
Questions and Answers**

Q.1 We have a question about item #3 ("Biobase BDF -86V528 Freezer - 86C"). If it is possible to offer an option with a power supply of 230V / 60Hz?

A.1 Yes. Please see amendment 0001 at

<https://hn.usembassy.gov/embassy/tegucigalpa/solicitations/>

Q.2 I would like to know if the manual of use have to be attached with the quotation.

A.2 The manuals need to be provided only by the vendor who gets the award, no need to attach them with the quotation/offer. These manuals should be in English and Spanish.

The solicitation requires to submit the technical data sheet of the items offered with the quotation.
